Ingredients

Carbonated Water, Natural Flavours (with Panax Ginseng Extract), Citric Acid, L-Glutamine, BCAA (L-Leucine, L-Valine, L-Isoleucine), Magnesium Citrate, L-Theanine, Vitamin C, Vitamin B6, Vitamin B5, Vitamin B12, Vitamin D, Thaumatin, Potassium Sorbate, Natural Colour.

Natural Caffeine Boost: Powered by natural caffeine sources for enhanced focus, alertness, and sustained energy without the crash, keeping you energised throughout the day.

More Than Electrolytes: A comprehensive blend of electrolytes combined with B-vitamins, vitamin C, L-Theanine, and Glutamine for full performance support.

Recovery & Performance Focused: Supports muscle recovery, cognitive function, and sustained energy to help you perform at your peak, no matter the challenge.

Hypotonic Formula for Rapid Hydration: Scientifically designed for faster absorption than traditional sports drinks, ensuring quick and effective rehydration.

High-Quality Assurance: Formulated and manufactured in Australia with third-party testing to ensure potency and purity, made in a GMP-certified facility.

Clean Ingredients, Delicious Taste: No artificial colours or flavours, gluten and dairy-free, and with no added sugar.
